BELLA STELLA

About BELLA STELLA

BELLA STELLA offers a modern and upgraded feel following the completion of a thorough refit. Her original quality build by CRN includes a solid steel hull and extremely spacious guest accommodations and areas, and having most of her interior changed by designer Sara Economou, she looks fabulous and very refreshed with ocean inspired art and grey hues now welcoming guests in style.

The newly boosted water toy inventory makes BELLA STELLA the ultimate family yacht in Greece! The vast selection of toys among with other items such as the portable BBQ and the inflatable platform with sofa and chairs next to the pool promises unforgettable memories on board the yacht.

The very comfortable and accommodating seven guest cabin layout for up to 12 guests remains unique in her category and not easily surpassed by any other yachts in the area. The full beam master cabin is located on main deck with a sofa area and a full beam bathroom with a bathtub and a shower room as well as a vanity desk. She has six spacious and fully renewed cabins located on lower deck, four double and two twins.

The upper lounge areas offer comfortable seating perfect for quiet time; the mid-part has been transformed into a home cinema with a brand new plasma TV and new sound system making a perfect setting for lazy movie watching for all ages.

BELLA STELLA's exterior decks have also been refreshed and upgraded. The main deck aft has had a fixed sofa seating added tastefully decorated with same grey cushions and throw pillows to match and be in sync with the interior new design. Moreover, a brand new custom made dining area has been added on the main for up to 12 guests. A great private large jacuzzi deck offers perfect relaxation and views with large build-in fixed sun pad area and awning for shade upon request.
