150 litres per hour

About JYC

Petite and perfectly formed, at 28.4m (93.2ft) JYC is a Custom Line Navetta 30, designed and built by the renowned Ferretti Group. She is diminutive in super yacht terms, and with that comes an intimacy that brings people together. Whether you are chartering with a family group, or friends, you will find that JYC is like a beach house – the place where you just want to hang out together.

When you charter JYC, you will discover four decks of living space with a seamless inside-outside flow to give you spacious sunbathing areas, party bars, eating spaces and generous cabins. Her beautiful, modern interior comes systems and air conditioning, so you are guaranteed a cool, calm, and comfortable voyage.

She can accommodate 10 guests in five cabins. The owner's suite is a full-beam 7.3m (23.1ft) wide cabin on the main deck and boasts an en suite shower room and private desk space – should you need to keep in touch with the office while on board. On the lower deck, there are four guest cabins; two double cabins and two twin cabins. All guest cabins are en suite with shower compartments. Breakfast can be laid on the upper deck under the shade, so you can soak up the view of your anchorage while you eat and chat.

With five dedicated multi-lingual crew to take care of you, you only need to ask - they pride themselves in making it happen for you. Want to learn new skills on the water toys? Find the ideal private cove for snorkelling and beach BBQ? Host a sunset cocktail party? There are so many experiences on offer when you charter JYC.

Dining ashore in a glamorous restaurant is a lot of fun, and then have the tender bring you back to the yacht to walk barefoot on the smooth teak deck and feel the breeze on your face. A charter on JYC allows you to immerse in your destination and then step away from the crowds, into the peace of being at sea – and tomorrow you will discover a new horizon.
