About SANCTUARY

Stunning on the outside and beautiful inside, MY SANCTUARY is presented in immaculate condition. At 43m (141.1ft), the award-winning Oceano 43 design has a large, contemporary interior designed by Alberto Mancini. Her glorious interior has space and suites for 10 guests on this fabulous yacht.

You'll be able to unwind in one of the many amazing alfresco areas found on board. On MY SANCTUARY's foredeck is a wonderful alfresco lounge area and infinity pool area. Enjoy cocktails in the pool, on the vast sunpads or with a captain's-eye view relaxing around tables at the forward-facing seating area in front of the bridge. From here, you can take the inflatable waterslide to the sea.

MY SANCTUARY's sundeck, too, is an elegant and modern space with a bar and alfresco lounge area seating where you can enjoy your evening under the stars. On the deck below is the alfresco dining area, here you can enjoy the freshly made gastronomic delights from MY SANCTUARY's award-winning Croatian chef.

There is the wide cockpit with social seating, but a few steps aft is MY SANCTUARY's tranquil beach club area. It's here you can find a plethora of boards, skis, inflatables and towable toys at your beck and call. There are also two jetskis and five SeaBobs to make the most of your time in the water. After a morning's activity, you can take to the sun loungers on the swim platform and enjoy life by the ocean.

When the interior beckons, the floor-to-ceiling windows in the main saloon mean you can relax on the plush sofas or enjoy a formal meal in MY SANCTUARY's formal dining area, and not miss out on your surroundings. Her chic interior decor is light and welcoming; if you're relaxing or entertaining her clean modern feel will suit any occasion. On the upper deck is the beautiful and tranquil sky lounge cinema; the sofa seating is the perfect place to watch an evening movie with your family and friends.

All the guest suites are delightful sanctuaries for you and your guests. The charming en suite guest cabins are on the lower deck and her versatile layout includes two double VIP suites and two twin/double convertible suites. MY SANCTUARY also has a full-beam master suite with palatial his and hers bathrooms. One stand-out feature of this suite is the fold-down balcony. Where better to take your breakfast than on your private balcony with your partner?
